> Shalom, Ehud! Concerning the message you got from Baiterek affiliated structure, I checked out with my contacts. It turns out that by the end of each fiscal year they have to add to their file a formal paper confirming that they are sending payment to an existing entity. It is just a proforma, nothing of substance, they just file the paper without looking at the content. May I suggest that you send a formal, very succinct response so that they are able to close their books orderly. The text may be to the tune of the following : throughout the 2015 I was acting as per tasks formulated by Baiterek leadership. Took part at the events in Astana on the 6th of July along with other members of the ICC. Worked on the RK candidature support for the status of the non permanent member of the UN Security Council and holding the Winter Olimpic Games of 2020. Acted on a number of confidential requests of the PM and the Deputy PM of the RK made personally. I think it would be sufficient to satisfy the executor of the message you got. Cheers, best to Nili.

>>> Shalom, Ehud! Thank you for your message. Ter-ko can be found on his mobile: plus 77017664646. It will be on roaming while he is in Tel Aviv. I told him that both Simhon and Kedmi are ready to meet. He mentioned that they should be able to contribute to the project financially, because

he believes he has already covered other aspects. May be he is just grambling as is his custom. Anyway discussion will clarify all issues.
Cheers, best to Nili.

Sergei Ter-ko plans to be in Tel Aviv starting from the 20th November and is ready to meet with Sharon Kedmi and You to discuss business cooperation in agriculture and other fields. He will be staying at Dan Tel Aviv. Of course, he is available now for telephone discussion if you don't want to lose time.
